

The first Blank-Fest Québec

The 1st annual BlankFest Quebec will cover the city of Montreal with a blanket fundraiser on Saturday, February 21st.

Blankfest Quebec's goal is to collect as many Blankets for the homeless this year as possible and is asking guests to bring new and used blankets or comforters in good condition (minimum one per person) as the price of admission to the event. All blankets raised will be donated to Montreal's well loved Old Brewery Mission in aiding the homeless they so generously aid every winter season.

The homeless are vulnerable to frostbite and death. BlankFest Quebec stresses the importance in saving lives and keeps those less fortunate than others to stay warm over the winter.

Blank-Fest Quebec in co-operation with the Old Brewery Mission, has been organized by Jon Asher after reading about his friend, Kenn Rowell.
