

The employees from RDS—Réseau des Sports

A gesture which will open your eyes and your heart to the importance of giving back to society. Each one of us can make a difference, we must act—not just think about it.

Gerry Frappier, *President and General Manager*
RDS—Réseau des Sports

For over 120 years, the Old Brewery Mission has served Montreal's most desperate, destitute and disadvantaged men and women.

Only 24% of our Emergency Services funding comes from the provincial government. We depend on donations from individuals, companies and foundations to help us fulfill our mission. Thank you in advance for your generosity.
