## **Annual Golf Tournament for The Old Brewery Mission Finding a permanent solution for the homeless**

**Montreal, July 21, 2009** - Join us for a magnificent day of golf organized by the Old Brewery Mission at the Summerlea Golf Club on Monday, August 3. More than just enjoying a great day of golf, you will be instrumental in **raising funds** towards reducing homelessness rates in Montreal.

The Old Brewery Mission continues to fulfill its' longstanding tradition of care and compassion for the homeless. Over the last many years, the Old Brewery Mission has provided many programs to help both men and women transition from homelessness and improve their daily living conditions. "Our overriding goal is to help our clients leave their lives of homelessness as quickly as possible to ensure that homelessness does not become a comfortable way of life," says Matthew Pearce, Director, Old Brewery Mission, "Our programs' successes continually surpass our goals."

A proven leader in developing programs aimed at the homeless, the Old Brewery Mission has helped more than 650 people break the cycle of homelessness including 150 people over the last six months. Your support is essential to meet our goals.

Several spots are still available. Please help us reduce the homeless by joining us for a round of golf. Contact Sandrine Guillot at [sguillot@oldbrewerymission.ca](mailto:sguillot@oldbrewerymission.ca) or call 514.788.1884 Ext. 23.
